Passport Parking for Mobile Payments

At its foundation, the Passport Parking mobile payments application allows a Port to accept digital payments for parking while customers experience a seamless digital parking transaction. The Port is provided with Passport's portal -- a robust back-end system for real-time parking management.

- Convenient and free extensions
- Minimize reliance on hardware
- Intuitive UI enables parking sessions in seconds, and features like Quick Park allow for repeat parking sessions in two clicks

Passport Payment Services

Passport's platform comes integrated with payment services, Passport Payments, which eliminates the need for third-party gateways and processors. In choosing a Passport for Mobile Parking and payment needs, the Port will benefit from one partner for cohesion across its parking environment and end-to-end service connecting the Passport system to all the major card networks. Passport Payments also provides an online portal for program reporting, maintenance, and managing cardholder chargeback requests.

HAUL ROUTE INTERLOCAL COOPERATION AGREEMENT BETWEEN EASTSOUND SEWER & WATER DISTRICT AND THE PORT OF ORCAS

THIS Haul Route Interlocal Cooperation Agreement ("AGREEMENT") is made and entered into pursuant to RCW 39.34.080, by and between Eastsound Sewer & Water District ("DISTRICT") and The Port of Orcas ("PORT"), each of which are municipal corporations duly organized and existing under the State of Washington. DISTRICT and PORT may be individually referred to herein as a "Party" and may be collectively referred to herein as the "Parties."

WHEREAS, PORT owns, maintains, and repairs certain taxiways and roadways, including without limitation Schoen Lane (collectively, "Port Access Roads"), located at or adjacent to the Orcas Island Airport (the "Airport") as depicted on **Exhibit "A"** attached hereto;

WHEREAS, DISTRICT owns, maintains, and operates a water and sewer facility located at 143 Cessna Road, Eastsound, Washington, adjacent to the Airport;

WHEREAS, DISTRICT, from time to time, desires the use of Port Access Roads for hauling operations by heaving trucks operated by DISTRICT and/or DISTRICT's contractors, services providers, and agents ("District Vehicles");

WHEREAS, District Vehicle hauling operations may cause accelerated deterioration of Port Access Roads, thereby requiring repairs or improvements beyond routine repairs and maintenance, costing PORT additional maintenance expenses; and

WHEREAS, the Parties desire to enter into this AGREEMENT to memorialize their agreement concerning DISTRICT's obligations to PORT so that PORT may approve the use of Port Access Roads by District Vehicles without incurring any additional costs or liabilities arising out of District Vehicle Use of Port Access Roads.

THEREFORE, for and in consideration of the above recitals that are incorporated herein, and terms and conditions contained herein, the Parties mutually agree as follows:

1. PURPOSE

The purpose of this AGREEMENT is to establish a cooperative framework for the coordination and execution of services related to the use of Port Access Roads by District Vehicles thereby ensuring safety and minimizing disruption to airport operations and ensuring that such use does not result in any additional cost or liability to PORT.

2. SCOPE OF RESPONSIBILITIES

2.1 Avoidance of Taxiways: DISTRICT shall avoid the use of airport taxiways by District Vehicles without first obtaining the PORT's prior consent. Any PORT-approved use or crossing of taxiways by District Vehicles will be coordinated with PORT to ensure minimal interference with airport operations.

2.2 Debris Management: DISTRICT will ensure that anytime a District Vehicle, regardless of its size, uses or crosses a taxiway, there will be immediate inspection and clearance of any gravel, or foreign object debris ("FOD") left behind. A representative from DISTRICT will be available on-site to perform this task in coordination with PORT personnel. DISTRICT shall reimburse PORT for all costs PORT incurs for the inspection and clearance, including without limitation, PORT staff time and overhead ("Taxiway FOD Costs").

2.3 Use of Schoen Lane: District Vehicles are permitted to access and use Schoen Lane for the purpose of a haul route to transport wastes and materials to and from DISTRICT's wastewater treatment plant located at 143 Cessna Road, Eastsound, WA.

2.4 Restoration of Schoen Lane: DISTRICT understands and agrees that by virtue of District Vehicles' use of Port Access Roads beyond what is common or usual, DISTRICT assumes responsibility for all damage and additional maintenance costs of Port Access Roads resulting from its use of such Port Access Roads as a haul route. "Additional maintenance" means grading, reshaping, repair, and/or modification in excess of the same operations performed as routine maintenance by PORT. Any improvements to or widening of Port Access Roads necessitated by District Vehicles' operations shall be considered incidental to the hauling performed and shall be made at DISTRICT's sole cost and expense unless otherwise authorized by addendum in this AGREEMENT and shall remain in place or be removed at PORT's sole and exclusive discretion.

2.5 Insurance. DISTRICT and anyone operating District Vehicles on Port Access Roads shall maintain, during the life of this AGREEMENT commercial general liability insurance with limits of no less than Two Million Dollars (\$2,000,000) per occurrence for bodily injury and property damage, naming PORT, its elected officials, officers, employees, representatives, and agents as additional insureds by way of endorsement. Additionally, said Parties shall maintain auto liability insurance with a combined single limit of no less than One Million Dollars (\$1,000,000) for bodily injury and property damage, as well as workers' compensation insurance with statutory limits. The DISTRICT may satisfy its insurance obligations under this Section through participation in a state-approved risk management pool for water and sewer districts. In the alternative, either party to this agreement may fulfill the insurance obligations contained herein by maintaining membership in a joint self-insurance program authorized by RCW 48.62. In this regard, the parties understand that the party to this agreement who is a member of such a program is not able to name the other party as an "additional insured" under the liability coverage provided by the joint self-insurance program. Notwithstanding the foregoing self-insured retention provision, the DISTRICT shall immediately defend and indemnify the PORT from any claims associated with, resulting from, or arising from the uses authorized under this Agreement.

3. TERM

This AGREEMENT shall remain in effect indefinitely until terminated by either Party pursuant to the terms herein.

4. COMPENSATION AND FINANCING

4.1 District Reimbursement of Port Costs: During the period for which this AGREEMENT is in effect, DISTRICT shall reimburse the PORT for all costs of additional maintenance and repair necessitated by District Vehicles' use of Port Access Roads. Reimbursement of such additional maintenance and repair shall be limited to the actual cost to PORT of labor, including, without limitation, overhead, equipment, and materials plus fifteen percent (15%) for administration (collectively, the "Haul Route Costs"). DISTRICT shall make payment to PORT of Haul Route Costs upon receipt of detailed invoices supported by written documentation. DISTRICT shall pay the invoiced amount of Haul Route Costs to PORT within forty-five (45) days from the invoice date.

4.2 Bond: PORT may request but shall not require a bond from the DISTRICT, acknowledging that government agencies generally do not pose a collection risk. PORT may execute on the Bond in the event an invoiced amount of Taxiway FOD Costs or Haul Route Costs is not paid by the DISTRICT within forty-five (45) days of the date of the invoice.

4.3 Disputes: The Parties shall make good faith efforts to resolve any dispute arising from this AGREEMENT. In the event a dispute over DISTRICT's obligation to reimburse PORT for Taxiway FOD Costs or Haul Route Costs under this AGREEMENT cannot be resolved between the Parties, the dispute shall be submitted to an independent civil engineer registered in the State of Washington who is experienced in taxiway and road design, construction, and maintenance (the "Arbitrator") for resolution and determination. A Party's belief that a dispute should be submitted to the Arbitrator shall be transmitted to the other Party in writing with as much detail as possible. DISTRICT shall pay all total Taxiway FOD Costs and Haul Route Costs invoice amounts when payment is due under this AGREEMENT. Any disputed sums shall be held in escrow until the dispute is resolved.

The Arbitrator shall be selected by agreement of the Parties. If the Parties cannot agree on an Arbitrator within sixty (60) days of notice of an arbitrable dispute to the other Party, the Arbitrator shall be appointed by the PORT Commission. The findings of the Arbitrator shall be final and conclusive as to the Parties. Arbitration shall be completed within sixty (60) days of the selection of the Arbitrator. The costs of Arbitration, including attorney fees, shall be apportioned based on the principle that the substantially losing Party should pay the substantially prevailing Party's costs, including reasonable attorney fees as provided in Section 10.9.

The Parties acknowledge that disputes concerning public funds are often best resolved through the judicial system, ensuring transparency and accountability. Therefore, either Party may elect to resolve disputes in court instead of arbitration.

5. ADMINISTRATION

The following individuals are designated as representatives of the respective Parties and are responsible for administration and coordination under this AGREEMENT:

5.1 PORT'S Representatives: The Port Manager or other designee(s).

5.2 DISTRICT'S Representatives: The General Manager or other designee(s).

6. MAINTENANCE AND INSPECTION OF RECORDS

6.1 Record Keeping: The Parties shall each maintain books, records, and documents which sufficiently and properly reflect all work related to the performance of this AGREEMENT. These records shall be subject to inspection, review, or audit by the other Party or authorized governmental officials.

6.2 Retention Period: The Parties shall retain all relevant records for six (6) years after the expiration of this AGREEMENT, or in accordance with the Party's public records retention schedule, whichever period is longer.

7. TERMINATION

7.1 Notice of Termination. Any Party may terminate this AGREEMENT upon thirty (30) days' written notice to the other Party.

7.2 Survival. All obligations of DISTRICT as provided for herein shall not cease upon termination of this AGREEMENT and shall continue as obligations until fully performed. All clauses of this AGREEMENT which require performance beyond the termination date shall survive the termination date of this AGREEMENT.

8. ASSUMPTION OF RISK AND INDEMNIFICATION

8.1 Assumption of Risk. PORT has not made and does not herein make any representations as to the present or future conditions of the Port Access Roads or the character of the traffic on any of the Port Access Roads. DISTRICT assumes all risks of damage to property of or injury to DISTRICT or anyone acting under the authority granted to DISTRICT by this AGREEMENT.

8.2 Release and Hold Harmless. To the extent permitted by law, DISTRICT shall release, protect, defend, indemnify, and hold harmless PORT, its elected officials, officers, employees, representatives, and agents from and against any and all claims, costs, expenses, and liabilities for any damage including, but not limited to damage to PORT property and for any bodily or personal injury, including but not limited to wrongful death, arising from the acts or omissions of the DISTRICT or its agents in the performance of this AGREEMENT, except to the extent caused by the negligent acts or omissions or willful misconduct of PORT.

9. LIMITED WAIVER OF IMMUNITY UNDER TITLE 51

FOR PURPOSES OF THE INDEMNIFICATION PROVISIONS IN THIS AGREEMENT, AND ONLY TO THE EXTENT OF CLAIMS AGAINST DISTRICT BY PORT UNDER SUCH INDEMNIFICATION PROVISION, DISTRICT SPECIFICALLY WAIVES ANY IMMUNITY IT MAY BE GRANTED UNDER THE WASHINGTON STATE INDUSTRIAL INSURANCE ACT, TITLE 51 RCW OR ANY OTHER SIMILAR WORKERS' COMPENSATION SCHEMES. THE INDEMNIFICATION OBLIGATION UNDER THIS AGREEMENT SHALL NOT BE LIMITED IN ANY WAY BY ANY LIMITATION ON THE AMOUNT OR TYPE OF DAMAGES, COMPENSATION, OR BENEFITS PAYABLE TO OR

FOR ANY THIRD PARTY UNDER WORKERS' COMPENSATION ACTS, DISABILITY BENEFIT ACTS, OR OTHER EMPLOYEE BENEFIT ACTS. THE FOREGOING PROVISION WAS SPECIFICALLY NEGOTIATED AND AGREED UPON BY THE PARTIES HERETO.
